INGREDIENT: Hydrolyzed Marine Collagen Peptides (From IGEN Non-GMO Tested, Wild-Caught Cod, Haddock, and Pollock).

ALLERGEN WARNING: Contains Fish.

SUGGESTED USE: As a Dietary Supplement, healthy adults combine one scoop into your favorite beverage or meal once daily and mix thoroughly.

HELPFUL TIP: Collagen Peptides may clump in cold water. To enjoy Collagen Peptides in cold liquid, simply mix into room temperature liquid first and then add ice.

NOTICE: Collagen is not a complete protein. Do not use to replace dietary protein or for weight reduction.

STORAGE INFORMATION: Store at room temperature, in a dry place. Protect product from excessive heat, freezing, humidity, and light.

CAUTION: KEEP OUT OF REACH OF CHILDREN AND PETS. Consult with a qualified healthcare professional prior to using this product, especially if you are pregnant, nursing, have diagnosed medical conditions, or are taking prescription medications. Do not exceed recommended daily intake. Do not use if safety seal is damaged or missing.

NOTE: [^]10 grams per scoop is an average. Individual scooping technique may yield slightly less or slightly more than 10 grams. This product is packaged by weight, not by volume. Settling of contents occurs over time and cannot be avoided. Variations in aroma, color, taste and solubility may occur.

Wild-Caught, Deep Sea Fish Sourced From the North Atlantic Ocean, Arctic Ocean and Surrounding Seas. Collagen Peptides Processed in Canada. Packaged and Quality Tested in the USA.
