

Directions: As a dietary supplement, take two capsules once daily, or as directed by a healthcare practitioner.

Bluebonnet's Targeted Choice JointStrength™ Vegetable Capsules are specially formulated to help optimize joint flexibility, mobility and range of motion by maintaining healthy connective tissues (cartilage, tendons and ligaments), as well as supporting a healthy inflammatory response in joints. This product only influences inflammation from a specific non-disease cause, like physical overexertion of the joints after intense exercise.♦
