add 8 oz of boiling water. Cover
and steep for 10 minutes. Gently
squeeze tea bag and remove.

Directions for use:

We recommend 3 cups daily.

- Add sweetener if desired
- Naturally caffeine free

HOW TO BREW

The Alvita Story...

In 1922, a new era for tea consumption began in America. The herb alfalfa, long known for its beneficial nutrients, was packaged in tea bags and sold to an emerging health food market. This product became known as Alvita and set the standard for future herbal teas. Today, Alvita represents more than forty single-ingredient teas, each one uniquely distinct, just like the individuals who drink them.

Alvita chooses only the highest quality organic, wild-crafted, or cultivated botanicals, perfectly prepared to provide you with the best Mother Nature has to offer. Historical and scientific literature is painstakingly studied to ensure that the correct traditional plant and most appropriate servings are used, delivering premium flavor and quality.

Herbs are gifts from the earth. Alvita takes its stewardship seriously by offering carefully harvested teas in earth-friendly packaging. Our beautifully illustrated boxes are made using recycled paperboard and our English, pillow style tea bags are oxygen bleached, not chlorine treated. You won't find a better product, with a cleaner package... anywhere.

*Alvita... brewed with confidence,
steeped in tradition.*

Parsley

Best known as a garnish in restaurants, parsley (*Petroselinum crispum*) is a deep green herb known for its chlorophyll content. It is often eaten to counter the odor of strong smelling foods. Originally from the Mediterranean region, it is traditionally used to support a healthy urinary tract.*

Alvita Parsley Tea is made with premium-quality, organic parsley leaves, and has a robust, herbaceous flavor.
