

Directions: Take one or more capsules daily with meals or juice.

Physician's Strength was the first to develop an edible wild oregano oil blend—all others are imitations. Physician's Strength P73 oregano oil is made from the original wild, high-mountain Mediterranean oregano. It is only handpicked from remote pristine regions which are pollution and pesticide free. Each Physician's Strength oregano oil gelcap contains six drops of the original mountain blend. Daily use is recommended.
