

Directions: Take two or more drops daily as needed. Rub on skin or take internally in juice, water, or under the tongue. Heat sensation is normal and lasts for only a few moments. Keep out of the reach of children. Avoid contact with eyes and genitals.

OregaWild Extra Strength is made with P73 wild oregano, a unique blend of edible oregano from the remote regions of the Mediterranean. OregaWild Extra Strength contains high carvacrol as the active ingredient and is free of all chemicals, additives, and non-GMO.
