

Directions: Take two or more capsules daily. It is best to take PolarVite with meals.

PolarVite is pure fish oil power. It's the only unrefined, whole food fish oil supplement available, complete with all the natural fatty acids and vitamins A & D. This is the natural way to get the powerful fats known as factor X—all the different forms of vitamins A & D—the whole complex plus the power of astaxanthin. This is the only truly unrefined, encapsulated fish oil. May contain natural particles.
