Not manufactured with wheat, gluten, soy, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

NOW® Branched Chain Amino Acids are Pharmaceutical Grade.

This product is sold by weight not volume.

Store in a cool, dry place after opening. Please Recycle.

SUGGESTED USAGE: As a dietary supplement, take 2 level teaspoons 1 to 3 times daily in juice, water, or your favorite beverage. Take preferably on an empty stomach, especially before and after exercise. Consider taking these other NOW® products: Whey Protein and Pro-QH™.

Of the eight essential amino acids that cannot be produced by the body, the three branched-chain amines: Leucine, Isoleucine and Valine are of key importance. Based on their unique structure, activity, storage and metabolism, BCAAs have become a staple in the lives of many athletes and physically active individuals. They account for nearly 1/3 of the amino acids in muscle protein, and play a number of key roles in the repair and growth of muscle tissues.*
