Omega 3-10 is a comprehensive program for those who aspire to nutritionally support the optimal structure and function of:

Heart health*

Healthy blood glucose*

Mental health wellness*

Joint mobility*

Eye health – visual acuity*

Energy and endurance*

Trusted: Omega 3-10 is the physician-recommended brand of high potency **Omega-3 fish oil plus Coenzyme Q10**. Extensive research has found this combination helpful in reducing inflammation throughout the body and preventing and managing risk factors associated with chronic diseases, such as heart disease*, diabetes*, macular degeneration* and arthritis.*

High Potency Omega-3 Fish Oil contains EPA and DHA, essential fatty acids that help support and maintain heart, metabolic and cellular health.

Coenzyme Q10 (CoQ10) is a vital nutrient required for cellular energy. CoQ10 also acts as a powerful antioxidant, preventing oxidative cellular damage caused by free radicals.

Effective: Each enteric-coated softgel is designed to "release" in the small intestine, where absorption is optimal.

Safe: Omega 3-10 is pharmaceutical grade and molecularly distilled. It does not contain any mercury, PCB's, lead, or heavy metals. Exceeds all US and EU purity standards.

Suggested Use: Take two softgels daily or as directed by your health care professional. May be taken with or without food.

Warning: Persons with medical conditions should inform their physicians when using nutritional supplements. Keep out of reach of children.
