

Directions: As a dietary supplement for adults, take one (1) Vcap® once or twice daily between meals, on an empty stomach, or as directed by a physician.

Nattokinase is a fibrinolytic enzyme which is extracted from the popular Japanese food natto. Natto is a cheese-like food that is produced by adding *Bacillus natto* to boiled soybeans.*

Caution: Consult a physician before use if you are pregnant, nursing, taking medication or have a medical condition. If you are taking aspirin or any medication used for blood thinning, do not use this product. Discontinue use two weeks prior to surgery or if stomach upset occurs.

Store in a cool, dry place. **KEEP OUT OF REACH OF CHILDREN**
