

Directions: Take one (1) capsule daily for a minimum of 90 days, or as directed by a healthcare practitioner.

Warning: Individuals taking medication should discuss potential interactions with their healthcare practitioner. Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Acute Injury is a unique proprietary complex formulated especially for tendon structure health and recovery. This advanced supplement contains Mucopolysaccharides, Type I Collagen and Vitamin C which contribute to the normal formation of connective tissue such as tendons and ligaments. The ingredients' efficacy and safety are supported by several scientific and clinical studies with positive outcomes on physical function, mobility, vitality and mental health.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, egg, ingredients derived from genetically modified organisms (GMO's), preservatives, artificial sweeteners or colors.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
