

Directions: Dissolve one (1) level scoop in 4 oz of water or adjust the amount of water to desired taste. Drink one to two times daily, or as directed by your healthcare practitioner.

Warning: Individuals taking medication should discuss potential interactions with their healthcare practitioner. Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Brain MagX is an innovative brain boosting formula in a wild blueberry flavor containing extensively studied and clinically proven nootropic ingredients: **Magtein®** (magnesium L-threonate), the only form of magnesium proven in animal studies to cross the blood-brain barrier and effectively elevate magnesium levels in the brain. This is vital to healthy cognition; including long- and short-term memory, learning, eliminating brain fog and boosting overall mood. **XERENOOS®**, the leading Citicoline backed by 90+ clinical studies, is a powerful brain nutrient that is proven to support: memory function, mental energy, focus, attention and overall cognitive health. **Huperzine A**, backed by numerous clinical studies, supports learning enhancement and optimal memory function while also promoting alertness, energy and stamina.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), preservatives, artificial sweeteners or colors.
