

Directions: Take one or more teaspoons daily.

PowerOmega is made with real Peruvian sacha inchi oil, the highest plant source of omega-3 and -6 fatty acids. Sacha inchi is unique because it is easily digested and provides 100% of the recommended daily intake for omega-3 fatty acids. Because it is derived from a plant source, it is ideal for use by vegetarians. PureOmega is completely free of heavy metals and contaminants, has virtually no aftertaste, and is an environmentally conscious product.
