

Suggested Use: Chew one capsule until it breaks open in your mouth; then let contents remain in the mouth for a few seconds before swallowing. For best results, use after brushing teeth. Avoid drinking or eating for ten minutes after use. Use regularly for healthy tooth and gum support.**

► Patented, probiotic support for tooth and gum health**

► Features a unique, highly desirable strain of *Streptococcus salivarius* that is able to colonize and beneficially reside in the mouth; also effective for children, ages 5 and up, when used as directed.**

 We are proud to offer many OU Kosher Certified products.

Keep out of reach of children.
