

Directions: (Women): Take one capsule per day. **(Men):** Take one to two capsules per day, or as directed by a healthcare practitioner.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

DIM 3 +™ contains key ingredients in supporting healthy estrogen metabolism. **Diindolylmethane (DIM)** is a phytonutrient found in cruciferous vegetables including broccoli, brussels sprouts, cabbage, cauliflower and kale. Unlike other plant nutrients such as soy isoflavones, Diindolylmethane has unique hormonal benefits. Additionally, **Curcumin** (from turmeric extract) is included to further support antioxidant activity. **BioPerine®**, a patented black pepper extract, is utilized to promote absorption of nutrients in the digestive tract.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
