

Directions: Take one (1) capsule one to two times daily, or as directed by a healthcare practitioner.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Glutathione GOLD™ consists of a patented, acetylated form of glutathione. As a result, it is well-absorbed and more stable throughout the digestive tract than other available glutathione sources including reduced L-glutathione. Supplement absorption and stomach acid resistance is further optimized by utilizing an enteric-coating process. Studies show s-acetyl glutathione's numerous benefits, including: raising intracellular glutathione, neutralizing free radicals, lowering oxidative stress, detoxifying the liver and supporting immune system function.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.
