

DIRECTIONS: Take two (2) capsules daily, or as directed by a healthcare practitioner.
WARNING: Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Liposomal Liver Detox + is an advanced detoxification formula featuring milk thistle phytosome, artichoke extract, taurine, ALA and patented acetylated glutathione (Emothion®) - all playing a significant role in detoxification & antioxidant support. Additional well-researched nutrient cofactors are included which are essential for glutathione recycling, methylation & numerous other biological processes. The proprietary liposomal technology, combined with the use of DRcaps™ acid-resistant capsules optimizes silybin absorption & increases bio-availability. Vegan & non-GMO.*
