

Directions: Take one (1) capsule one to two times daily, or as directed by a healthcare practitioner. Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Please Note: Natural color variations from light yellow to bright orange may occur between lots.

Methyl B Complete™ is a vegan formula that contains five key nutrients which are involved in homocysteine metabolism: folate as Quatrefolic® for increased bioactivity; Trimethylglycine; and vitamins B12, B6, and B2 (riboflavin). This unique complex intends to support optimal methylation and help sustain healthy homocysteine levels already within normal range.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children. For optimal freshness, do not discard desiccant.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.
