

Directions: Take one (1) capsule daily, in the morning, with a meal or as directed by a healthcare practitioner.

Warning: Individuals using blood thinners or beta blockers, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

MicroActive® Oligonol® is a unique evidence-based visceral fat loss and skin health polyphenol formula. This powerful 12-hour sustained release supplement offers 239x GREATER bioavailability than standard Oligonol. The result – **ONE CAPSULE per day is equivalent to 239mg Oligonol (the daily dose required for visceral fat reduction)**. Oligonol is the world's first low-molecular-weight polyphenol extract derived from lychee fruit and green tea, is supported by 30 human clinical trials and offers excellent absorption with multiple anti-aging benefits. It addresses the three major causes of aging: poor blood circulation, cell oxidation and inflammation. Oligonol has been clinically proven to support the following: healthy post-meal blood glucose and lipid levels, visceral fat reduction, skin wrinkles and brown spot reduction, fatigue and endurance improvement.* Human studies have shown that Oligonol promotes circulation by relaxing blood vessels, acts as a potent antioxidant (6,900 ORAC), and supports a healthy response to inflammation.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, egg, ingredients derived from genetically modified organisms (GMO's), preservatives, artificial sweeteners or colors.
