

Power Probiotic 100B™

- **Four-Strain Probiotic Totaling 100 Billion CFU Per Capsule**
- **Employs DRcaps™ Gastro-Resistant Capsules to Slow Exposure to Stomach Acid**
- **Individually Sealed in Nitrogen-Purged Aluminum Blister Packs to Ensure Freshness**

Pharmaceutical Grade • Dietary Supplement
30 Acid-Resistant Vegetable Capsules

DIRECTIONS: Take one capsule with water daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if blister packaging is damaged.

Power Probiotic 100B™ is a four-strain, vegetarian, dairy- and gluten-free probiotic formula totaling 100 billion CFU per capsule. Since heat, moisture, and oxygen are proven to degrade probiotic stability, each capsule is sealed in nitrogen-purged aluminum blister packs. This probiotic formula provides four researched strains of useful bacteria, including the extensively studied HN019 strain of *Bifidobacterium lactis*. These live microorganisms have proven health benefits, well-established safety and have been tested for epithelial cell adherence and/or resistance to low pH. Power Probiotic 100B™ probiotics are encased in innovative stomach acid-resistant capsules called DRcaps™ to further support resistance to low pH and the delivery of microorganisms to the small intestines.*
