

Suggested Use: Take 1 capsule, 3 times daily with 4 oz. or more of purified water.

- ▶ This remarkable, rare clay promotes detoxification.** It is believed to be the only known bentonite sourced from the site of an ancient underwater volcanic eruption that was flushed with fresh water for millions of years.
- ▶ Emerging science suggests that this unique smectite form of bentonite clay exhibits powerful absorptive detoxification properties.**

Keep out of reach of children.
