Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition (e.g. liver problems, stomach ulcers, diabetes, gout, etc.). Transient GI symptoms may occur at inception of treatment, consult physician if symptoms persist. Keep out of reach of children.

Niacin supplements may sometimes temporarily cause flushing and/or itching, but this sustained release tablet should minimize those symptoms. To further limit these uncomfortable but not dangerous symptoms, take daily and avoid missing doses.

SUGGESTED USAGE: As a dietary supplement, take 1 tablet daily with a meal. **This high potency tablet should be taken under doctor's supervision.** Consider taking these other NOW® products: B-50 Complex, D-Ribose and Sytrinol®.
