

Alfalfa (*Medicago sativa*) is a perennial herb that is indigenous to the Middle East. Because of its deep root system, Alfalfa is better able to absorb minerals from the soil than other plants. Therefore, Alfalfa is known to offer vitamins, minerals, and Chlorophyll.† Certain research publications indicate that Alfalfa may help support the following:

- Promotes energy and vitality.†
- Promotes digestive health.†

SUGGESTED USE: As a dietary supplement, take two (2) capsules three times daily preferably with food or as directed by your qualified healthcare professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Store at room temperature.
