

Suggested Use: Take 1/2 teaspoon daily in 1 liter of juice or water. For those who are sensitive, dilute 1/4 tsp. in 2 liters of water. Due to the concentrated nature of these minerals, do not take undiluted.

The world's naturally potent, broad-spectrum source of ionic, pH-balancing minerals from Utah's Great Salt Lake.

Tamper Seal: Use only if seal is intact. Consult your health practitioner if you are pregnant/nursing, taking medications or have a medical condition, before taking this product. Store in a cool, dry place.

Keep out of reach of children.
