Not manufactured with yeast, wheat, gluten, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Store in a cool, dry place after opening. Please Recycle.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 2 to 3 times daily, preferably with food.

Pantethine is a highly absorbable and biologically active form of Pantothenic Acid (Vitamin B-5). The metabolic activity of Pantethine is due to its role in the formation of Coenzyme A (CoA), an essential cofactor for lipid, carbohydrate, and protein metabolism. Pantethine helps to support proper cholesterol production and fat storage processes in the liver, which can help to promote healthy body fat distribution. It has been shown in clinical studies to assist in the maintenance of healthy serum lipid levels for the support of a healthy cardiovascular system.*
