

Bee Pollen Complex is the synergistic combination that contains all of the goodness of Bee Pollen plus the beneficial properties of Bee Propolis and Royal Jelly. Bee Pollen is a fine powder that composes the male element of the flower while Bee Propolis is a by-product of Royal Jelly the highly complex substance fed exclusively to queen bees. As a dietary supplement, bee pollen complex is a rich source vitamins, amino acids, trace minerals and enzymes.†

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Avoid this product if you are allergic to bees or bee products. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
