

Directions: As a dietary supplement for adults, take two (2) vegetarian capsules daily, preferably with a meal, or as directed by a physician.

Healthy Origins® Bioavailable Curcumin Phytosome™ features Meriva®, a patented, clinically studied, bioenhanced form of curcumin that is proven to be efficacious in the body.*

The health benefits of consuming curcumin have been recognized for ages, but unlocking these benefits for the body had always been a major hurdle due to curcumin's poor systemic bioavailability. Using Indena's proprietary Phytosome™ technology that was developed in the 1980s, researchers were able to dramatically enhance the bioavailability (29x!) of the health-promoting curcuminoids with Meriva®.*

Meriva® is a registered trademark of Indena S.p.A., Milano.
NOTE: This product is lighter in color when compared to Meriva® with soy lecithin.
