Directions: As a dietary supplement for adults, take one (1) vegetarian capsule daily with or without food.

Some of the world's greatest inventions are stumbled upon by accident. Such is the story of EpiCor®, a unique, natural dietary ingredient which supports the body's immune system by balancing immune response.*

Just one (1) EpiCor® vegetarian capsule daily has been clinically shown to keep the immune system balanced and performing optimally.*

EpiCor® has been clinically shown to activate NK (Natural Killer) cell activity within 2 hours of taking the product.*

Store in a cool, dry place. **KEEP OUT OF REACH OF CHILDREN**
