

Bilberry (*Vaccinium myrtillus*) is a rich source of anthocyanosides, flavanols believed to be responsible for the herb's beneficial properties in promoting overall eye health. These flavanols contain potent antioxidant properties. In addition, they play a key role in building healthy connective tissue, improving circulation and maintaining normal night time vision.† Certain research publications indicate that Bilberry may help support the following:

- Supports healthy blood flow.†
- Supports healthy connective tissue.†

SUGGESTED USE: As a dietary supplement, take one (1) capsule once or twice daily, preferably with a meal or as directed by your qualified health care professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
