

Suggested Use: Take 3 capsules daily, or as directed by a health professional.

► Tyrosine, a conditionally essential amino acid, is a precursor to the thyroid hormone, thyroxine, and to catecholamine neurotransmitters. Tyrosine also supports mood during times of occasional stress, when dopamine and norepinephrine levels may need additional support.**

► This formula also features Tyro-Synergy Support™, an important botanical blend.

Manufactured in a cGMP compliant facility for superior quality assurance

Keep out of reach of children.
