

Doctor's Best High Absorption CoQ10 contains pure coenzyme Q10 (Ubiquinone) plus BioPerine®. CoQ10 helps support heart function and is vital to the production of ATP (adenosine triphosphate), especially in the heart.* Stress, free radicals, statin medications, and aging can impact CoQ10 levels. CoQ10 is very important for the creation of energy, muscular contraction and the synthesis of protein.* Studies have shown that BioPerine® increases CoQ10 absorption.*

Helps support heart health and cellular energy*
Helps restore CoQ10 that may be depleted by aging and statin drugs*Δ

Formulated with BioPerine® black pepper extract to enhance absorption and bioavailability*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

ΔCoQ10 is not intended to serve as a replacement for statin therapy, nor should you discontinue taking any prescribed medications while supplementing with CoQ10.
