

Bromelain is a proteolytic enzyme derived from the stem of the pineapple plant that has protein-digesting properties. It is active in a wide pH range and can function in acidic environment of the stomach.† Certain research publications indicate that Bromelain may help support the following:

- › Supports healthy digestion.†
- › Supports joint and muscle comfort.†
- › Supports gastrointestinal function .†

SUGGESTED USE: As a dietary supplement, take one (1) Tablet two to four times daily, after meals or as directed by your qualified healthcare professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
