

Best Naturals Calcium D-Glucarate includes the patented compound glucarate which has been shown to enhance the major detoxification pathways in the body. Calcium D-Glucarate, the calcium salt of D-Glucaric acid, is found naturally in the human body in a variety of fruits and vegetables. Animal studies have shown that high doses of calcium D-glucarate inhibit beta-glucuronidase, thereby enhancing the process of glucuronidation, in which foreign organic compounds, fat-soluble toxins and excess steroid hormones such as estrogen are detoxified and excreted from our bodies.* Certain research publications indicate that it may help support the following:

- ▶ Supports the body's cleansing system*
- ▶ Supports hormonal balance*

SUGGESTED USE: As a dietary supplement, take two (2) tablets three times daily, preferably with meal. Additional benefits may be obtained by taking this product with antioxidants such as Vitamins A, C, E and Beta Carotene.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
