

Calcium Pyruvate

Premium Formula

750 mg

3rd Party Lab Tested

120 Vegetarian Capsules **DIETARY SUPPLEMENT**

Calcium Pyruvate is a stable salt form of Pyruvic Acid, which is key metabolite of carbohydrate metabolism that is needed to begin the citric acid cycle, the process by which cell produce energy in the form of ATP. As the main chemical fuel of the body, ATP powers most vital functions throughout the body, including muscular movement. Calcium pyruvate is also important in number of other metabolic pathways, including those that results in fat and protein metabolism, as well as glycogen storage.† Certain research publications indicate that it may help support the following:

- > Supports healthy weight loss.†
- > Supports bone and nerve health.†

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is Broken or missing.
Keep in cool, dry place.
