

Caralluma from Best Naturals is highly concentrated, delivering 800 milligrams of a highly potent 10:1 extract of Caralluma Fimbriata. Known in certain parts of India as the "Famine Food", this unique cactus is used during times of food scarcity, and during extended hunting excursions due to its powerful appetite suppressing and energy enhancing effects.† Certain research publications indicate that it may help support the following:

- Supports appetite control.†
- Supports fat reduction.†

SUGGESTED USE: As a dietary supplement, take one (1) tablet two to three times daily on an empty stomach. For best results take 30 minutes before meals with a full glass of water, or as directed by your qualified healthcare professional.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.
