

Best Naturals Coral Calcium Plus contains an alkaline form of Calcium that can help to promote a healthy serum pH. In addition, Coral Calcium has a number of naturally occurring trace minerals that are important for bone health, as well as for optimal enzymatic activity. Best Naturals Coral Calcium is eco-friendly: it is harvested in Okinawa, Japan from fossilized (dead) coral and is not harmful to living coral. In this Coral Calcium Plus formula, Magnesium and Vitamin D have been added because of their essential role in bone metabolism.† Certain research publications indicate that Coral Calcium may help support the following:

- Supports healthy serum pH.†
- Supports optimal enzymatic activity.†

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
