

Curcumin C3[®] complex with Bioperine contains a standardized extract of Curcuma Longa root, commonly known as "Turmeric". In the Far East, Turmeric is valued for more than just its culinary uses. The herb has been employed in the Ayurvedic healing tradition for centuries as a folk remedy. The active ingredients in Curcuma Longa are a group of plant substances called curcuminoids. Collectively known as "Curcumin", they have demonstrated potent antioxidant properties in scientific studies.* Certain research publications indicate that it may help support the following:

- Supports inflammation response*
- Supports healthy joints, vision & immune function*

SUGGESTED USE: As a dietary supplement, take one (1) vcap two to three times daily, preferably with food. Consider taking these other Best Naturals products: Glucosamine Chondroitin & MSM, Nattokinase and CoQ10.
