

DGL from Best Naturals is a unique extract of De-Glycyrrhizinated Licorice widely used in Europe. Licorice has a long history of use and is one of the most widely known medicinal herbs today. It has been extensively researched for its ability to promote healthy digestive function. De-Glycyrrhizinated Licorice (DGL) is a milder form of Licorice that is more appropriate for a tablet.* Certain research publications indicate that DGL may help support the following:

- Supports healthy digestive function*
- Supports healthy stomach lining*
- Supports intestinal flora*

SUGGESTED USE: As a dietary supplement, take two (2) tablets twenty minutes before each meal. Consider taking these other Best Naturals products: Aloe Vera and Bromelain.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
