

Doctor's Best Natural Vision Enhancers contains FloraGLO® Lutein and OPTISHARP® Natural Zeaxanthin, highly bioavailable naturally sourced carotenoids that help neutralize free radicals to support healthy visual function, macular health, and cognitive acuity.* Constant exposure to ultra violet (UV) and blue light emitted from computers and mobile devices may potentially damage the retina.* Omega-3 DHA and EPA help support the retina's light-sensing activity.*

Helps support retinal cell light-sensing capacity*

Helps protect eyes from harmful high energy blue light in everyday surroundings*

Helps neutralize free radicals*
