

Dong Quai, one of the most important of the Chinese tonic herbs, is often called "the female ginseng" because of the many benefits it provides for women's overall health. In the West, it has gained widespread popularity as a way to promote well-being throughout the menstrual cycle.* Certain research publications indicate that it may help support the following:

- Supports healthy menstrual cycles*
- Supports hormone balance*
- Supports pelvic circulation*
- Supports nourishing blood tonic*

SUGGESTED USE: As a dietary supplement, take two (2) capsules three times daily, preferably with meals.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
