

Eyebright (Euphrasia Officinalis) has been used since the Middle Ages for the support of eye fatigue and vision. According to text of the "Old Doctrine of Signatures", the purple and yellow spots and stripes of Eyebright resemble bloodshot eyes, which was an early indicator of the plant's intended herbal use.* Certain research publications indicate that Eyebright may help support the following:

- Supports eye health*

SUGGESTED USE: As a dietary supplement, take two (2) capsules three times daily, preferably with meals.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
