Item# V-OSTEO

Directions for Use: As a dietary supplement for adults and children twelve or more years of age, take three tablets separately throughout the day, or as directed by a qualified healthcare professional.

Vinco's OsteoSheath™ contains bioavailable minerals and cofactors including Microcrystalline Hydroxyapatite (MCHC), Calcium Citrate, and Calcium Amino Acid Chelate. Consult a qualified healthcare professional to see if OsteoSheath™ is right for you.

The MCHC in Vinco's OsteoSheath™ is from New Zealand.

Vinco's OsteoSheath™ contains 1,221 mg of Elemental Calcium per 3 tablets.

pH sensitive OsteoSheath™ is designed for intestinal absorption for maximum ingredient utilization.
