

Glutathione is a tripeptide, consisting of the three amino acids, cysteine, glutamic acid, and glycine. Glutathione is found and manufactured in every cell in the body, but is found in highest concentrations in the heart, muscle tissue and the liver. Glutathione supports healthy immune system function.* Certain research publications indicate that Glutathione may help support the following:

- Supports healthy immune system*
- Supports antioxidant function*

SUGGESTED USE: As a dietary supplement, take one (1) capsule two times daily, preferably with meals, or as directed by your qualified healthcare professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
