

**Directions:** Take one to two tablespoons in juice or water once or twice daily. Use as a flavoring in food. As a soothing tea add two tablespoons to a cup of hot water or to desired taste.

Essence of Cilantro is a pure steam distillation of remote-source, mountain-grown cilantro. It is produced using natural, deep-well spring waters rich in essential minerals and nutrients. Essence of Cilantro, a hydrosol full of highly oxygenated compounds and hydrophilic nutrients, is the ideal addition to a healthy diet. This cilantro is the original species from the high-mountain Mediterranean wilderness, far more potent than the common type. Use it to support healthy digestion and detoxification. Use daily and enjoy.
