

Doctor's Best Beauty Ceramides contains CeraLOK™, rice ceramides and AstaReal® natural astaxanthin from extracts of microalgae *Haematococcus pluvialis*. CeraLOK™ is standardized to the most relevant ceramide type: Glucosyl Ceramides, providing higher absorption that supports skin hydration, moisture, smoothness, and elasticity, while the antioxidant properties of astaxanthin quenches free radicals and helps tackle age-related oxidative stress.* This potent combination helps support healthy skin from within.*

Helps support skin hydration, moisture, smoothness and elasticity*

Helps quench free radicals and tackle age-related oxidative stress*

Helps support immune response, heart and joint health*

Veggie softgels, made with a gelatin-free alternative*
