

Doctor's Best Collagen Types 1 and 3 Powder (Peach Flavored) contains hydrolyzed collagen protein, which contributes to the growth and maintenance of healthy tissues.* Collagen is the structural protein essential for the strength of bones and flexibility of tendons, ligaments, hair, skin, nails, and other tissues throughout the body.*

Collagen Types 1 and 3 Powder contains enzymatically hydrolyzed component peptides with a small molecular size for optimal absorption and utilization by the body.*

- **Helps support healthy hair, skin, and nails***
- **Helps support the strength of bones and flexibility of joints, tendons, and ligaments***
- **Provides improved bioavailability due to the low molecular weight of component peptides***

Collagen Types 1 and 3 Powder

ESSENTIAL STRUCTURAL SUPPORT
FOR HAIR, SKIN, NAILS, TENDONS,
LIGAMENTS, AND BONES*

Net Wt. 8.1 oz (228 Grams)

Supplement Facts

Serving Size 1 Scoop (~7.6 grams)

Servings Per Container Approximately 30

Amount Per Serving		% Daily Value
Calories	25	
Protein	6 g	
(from hydrolyzed collagen Types 1 and 3)		
Hydrolyzed Collagen Types 1 and 3	6.6 g (6600 mg)	†

† Daily Value not established.

Other Ingredients: Natural flavor, citric acid, malic acid, Rebaudioside A (stevia leaf extract).

Suggested Adult Use: Dissolve 1 scoop of powder in 6 – 8 oz. of water. Drink on an empty stomach at least 30 minutes before meals, or as recommended by a nutritionally informed physician. To ensure optimal collagen absorption, avoid taking protein supplements within one hour of consumption.

NOTE: Some settling of contents may occur, which may cause slight variations in number of servings.

Gluten Free / Soy Free

Store in a cool dry place.
