

Directions: Take one to two tablespoons in juice or water once or twice daily. Ideally, make into a hot tea by adding an ounce to a cup of hot water. Makes an excellent evening drink.

Essence of Wild Lavender is made with the real Mediterranean wild lavender. Because it is a hydrosol, it is rich in oxygen. Essence of Wild Lavender is a soothing tonic that elevates the senses with its natural, aromatic aroma. It is made with natural, deep-well spring-water and contains no chemicals or solvents.
