

Green Tea Extract (GTE) has numerous bioactive compounds, including Polyphenols and Catechins, which are known for their many health-supporting properties. These compounds have been found to help protect against oxidative stress and may also help to maintain a healthy response to normal metabolic stress.*

- ▶ Supports healthy heart function*
- ▶ Supports calmness & relaxation*
- ▶ Supports immune health & overall well-being*
- ▶ Supports antioxidant protection & healthy aging*
- ▶ Supports healthy liver function*
