

**Directions:** Take one to two tablespoons in juice or water once or twice daily. Use as a flavoring in food. Also take as a soothing tea.

Essence of Rose Petals is an ideal essence for the skin. Essence of Rose Petals also gives many foods and liquids a soft, soothing taste. This rare and expensive oxygenated essence is the steam extract from the finest Damascene rose petals and not the stems or leaves. Only the freshest, handpicked, mountain-grown rose petals are used.
