Best Naturals krill oil is produced from 100% pure Antarctic krill- one of nature's most abundant and rapidly renewable sources of omega-3 fatty acids, phospholipids and natural antioxidants.* Certain research publications indicate that Krill Oil may help support the following:

- Supports healthy blood triglyceride levels*
- Supports cardiovascular health*

SUGGESTED USE: As a dietary supplement, take two (2) softgels one to three times daily with food or as directed by your qualified healthcare professional.

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.
