

Directions: Take at least one tsp. in juice or water. Repeat as needed. Shake before using.

MigraHemp is the only raw, wild greens plus raw, heirloom hemp complex available. Fortified with CO₂-extracted basil and ginger, it's a potent formula for supporting a healthy detoxification response of the entire nervous system and also the gut.* MigraHemp's wild greens extracts are extremely unique, harvested from the remote northern Canadian wilderness. Hemp, basil, and ginger work synergistically with the greens. Use MigraHemp daily for optimal healthy support.*
